A bequest can be designed to meet your individual needs and preferences in an amount decided by you. Consult your attorney to discuss your plans. It is very easy to arrange for a bequest to the WRVO Stations. Just add a brief amendment to your current document or include us when you rewrite your will.

Including WRVO in your estate plan is one way to help make sure that the quality source of news, information, community affairs, and family entertainment that you rely on can continue long into the twenty-first century.
